News about “The 95th Family Reunion of The Great McMurtry Clan of Tennessee”

The Covid-19 pandemic has presented many challenges in social gatherings and events this year. Due to the responses from the group email a few weeks ago, the executive committee has decided to have an abbreviated “outside” meeting of the reunion on September 6, 2020 without lunch at the Old Beech Cemetery, 3216 Long Hollow Pike, Hendersonville, TN 37075 at the grave site of John McMurtry, Esq at 2:00 pm to conduct annual business.

The meeting will be approximately 30 minutes long. Please bring a chair or blanket, if needed.

Please pass along this information to your family members, since I do not have addresses for many of our members.

The minutes, treasurer’s report, and historian’s report will be provided in printed form and also available on the web site.

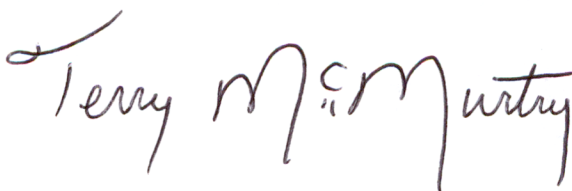

Thanks to John Mark McMurtry and his team for the new website. Please continue to scan your McMurtry family photos, new and old, and videos of past reunions and send to John Mark. His e-mail address is: johnmark@volunteerwelding.com

It is with much sadness that we must adjust our reunion meeting this year. Please call me at any time with any news of our family members.

Sincerely,

Terry McMurtry, President
